The American Star of the 11th contains the official announcement of the conclusion of a treaty of peace, under the signature of Senor Rosa, the Minister of Foreign Relations.

There was yet no quorum of the Congress ou Queretaro, from which city our dates are to the 10th inst , but a majority of the Deputies in the city are represented as approving the treaty. The Star of the 11th says that at a meeting of the deputies on the 7th there were twenty-four present. It requires nearly thrice this number to form a quorum.

Gen. Lane reached Mexico from Orizaba on the 10th inst., without further adventure. Lt. G. A. Scott, of the 4th Kentucky Volunteers, is dead. Gen. Smith's brigade was reviewed on the

In the Star of the 13th we find the following article in regard to Santa Anna. It is of much importance:
